Registration—Undergraduate

The spring 2008 registration and drop/add period for undergraduates begins on November 9 and continues through January 23, at 11:00 p.m. Undergraduates only may drop a course, including a sixth course, in their Associate Dean’s office through February 15, 2008.

Registration/Degree Audits

Undergraduates will need their password and a 4-digit access code to register. Access codes and registration appointment times are printed on your “Registration Information/Degree Audit” form.

Appointments are scheduled from 8:00 a.m. until 5:00 p.m. and are based on class year. You may not register before your appointment time, but you may register anytime thereafter. When you have finished registering, print out a copy of your courses for your records.

If the information on your Degree Audit is not accurate, contact your Academic Recorder. Their names, telephone numbers, and email addresses are listed on the “Registration Information/Degree Audit” form.

Registration—Graduate

The spring 2008 online registration and drop/add period for all graduate schools, except for the Graduate School of Social Work (GSSW), begins on November 8 and continues through January 23, 2007 at 11:00 p.m. GSSW registration begins on November 12 at 7:00 p.m.

Graduate students in the Carroll Graduate School of Management (CGSOM), Connell Graduate School of Nursing (CGSON), Graduate School of Arts and Sciences (GSA&S), Graduate School of Social Work (GSSW), and Lynch School of Education (LSOE) who register before December 15, 2007, will have their registration fee waived for the spring semester only.

Doctoral Continuation—Students registered for Doctoral Continuation in the fall will be registered for spring unless they graduate in December. Students whose departments require permission need to obtain an override for Doctoral Continuation and process it in the Office of Student Services.

Special Students—Graduate students including those using teaching vouchers who are not currently in a Boston College degree program and who want to take graduate level courses must apply as special students to the appropriate graduate school. Graduate students using LSOE teaching vouchers should go to Melita Malley, Assistant Director, in the Practicum Office, Campion 135.

Degree Audits—Undergraduates

A degree audit is a computer-generated analysis that enables an undergraduate (except for Woods College of Advancing Studies) or Law student and his or her advisor to assess the student’s academic progress and unfulfilled requirements. Students in the Woods College of Advancing Studies can meet with an advisor and obtain a degree audit at any time.

The degree audit is a valuable tool for academic planning because it matches the courses that the student has taken with the requirements of his or her degree program or anticipated program. Students receive degree audits each semester prior to registration and have access to actual and simulated degree audits on Agora. Students are responsible for completing all the requirements listed on the degree audit prior to graduation.

Review your audit carefully in consultation with your advisor before you register.

If a course on your degree audit is not being counted correctly because of a system error, contact your Academic Recorder (A&S and LSOE: Mary McCrosson, CSOM and CSON: Terry Rezzuti). If you want a course to count for a requirement that it does not usually fulfill, obtain a “Degree Audit Course Substitution and Waiver” form from the Office of Student Services, and take it to the department for approval. Return the form with the appropriate stamp to the Office of Student Services in Lyons Hall for processing.

Overloading

Students who have earned at least a 3.0 overall GPA in a full course load or a 3.0 GPA in the semester immediately prior to the one for which the overload is sought may register for a sixth course. Students should register online for the sixth course during the first week of class and must notify the Associate Dean by October 1 in the first semester and February 15 in the second semester if they wish to drop the course.

Students whose GPAs are between 2.0 and 3.0 may, under exceptional circumstances, be allowed by an Associate Dean to enroll in a sixth course. Students are not permitted to take a sixth course in their first semester at Boston College.

Overload courses taken for acceleration will carry an extra tuition charge. This includes fifth courses taken during senior year.

Students in a Woods College of Advancing Studies degree program take a maximum course load of three courses per semester. One course may also be taken during May-June and one during Summer Session. Authorization for one additional course will be given only if a student has completed three courses in the previous semester, each with a grade of B- or above. Courses taken without reference to this regulation do not advance a student’s degree program.

Withdrawing from a Course or from the University

Undergraduates may drop or add a course(s) online during the first seven days of the semester. Undergraduates only may drop a course, including a sixth course, until October 1 in the fall semester and February 15 in the spring semester in their Associate Dean’s office.

After the extended drop period, undergraduates who withdraw from a course will have a “W” recorded in the grade column of their academic record.

Graduate students who withdraw from a course after the drop/add period (first seven days of the semester) will have a “W” recorded in the grade column of their academic record.

To withdraw from a course all students must go to the Forms page on the Office of Student Services website (<http://www.bc.edu/stserv/forms/>), print the withdrawal form, and then go to the Office of the Associate Dean for their school. Students will not be permitted to withdraw from courses after the published deadline. Students who are still registered at this point will receive a final grade for the semester.

The last date to withdraw from a fall course with a “W” or to withdraw from the University is November 26, 2007. The last date for graduate and undergraduate students to drop/add online is January 23, 2008. The last date to drop courses (undergraduates only) in the Associate Deans’ Offices is February 15, 2008.

Woods College of Advancing Studies (WCAS)

WCAS designates a limited number of courses that are available to full-time undergraduate day students. All full-time undergraduate students are limited to one WCAS course each semester. Freshmen may not enroll in any WCAS courses.

WCAS courses can be used to fulfill elective requirements. Students must check with the appropriate department if they intend to use a WCAS course to fulfill a Core or major requirement. There are a limited number of seats in each course, and they are distributed on a first-come, first-served basis. Check with the WCAS office, McGuinn 100, on the first day of classes in January to see if additional seats are available.

General Information

Audits

Undergraduate

Undergraduate students may not audit a course with the exception of undergraduates in WCAS.

Graduate

Students in GSA&S and CGSON may register for an audit online. CGSOM, GSSW, Law School, and LSOE students must consult the Associate Dean’s Office before they can audit a course. WGCAS students may not audit courses.

After January 23, graduate students who wish to change a course from credit to audit or audit to credit must go to the Associate Dean’s Office and complete a “Graduate Course Exception” form. Students in the Carroll Graduate School of Management may change a course from credit to audit but not audit to credit.

If you drop an audit before January 23, you will receive a 100% refund. You may not drop an audit after January 23. There is no cancellation of tuition for a course changed from credit to audit.

Credit Variation

If you need to change the number of credits for a course, pick up a “Graduate Credit Variation” form from the Office of Student Services. Have the form approved by the Associate Dean and return it to Lyons Hall by January 23. After January 23, bring the form to the Office of Student Services and pay for the additional credits.

Cross Registration

Boston Theological Institute

Theology majors and students in the Institute of Religious Education and Pastoral Ministry who want to cross-register through the Boston Theological Institute (BTI) should pick up a cross-registration petition in the Office of Student Services in Lyons Hall and return it with an authorization by the appropriate date. Students are expected to consult with their advisor or department chairperson before cross-registering. Graduate Theology majors may take up to half of their courses through BTI.

The following colleges and universities participate in the BTI cross-registration program.

- Andover Newton School of Theology
- Boston University School of Theology
- Episcopal Divinity School
- Gordon-Conwell School of Theology
- Harvard Divinity School
- Holy Cross College (Greek Theology School)
- St. John’s Seminary
- Weston School of Theology

The Consortium

Under a program of cross-registration, sophomores, juniors, and seniors may take one elective course during each semester at Boston University, Brandeis University, Hebrew College, Hellenic College, Pine Manor College, Regis College, or Tufts University if a similar course is not available at Boston College. Cross-registration forms are available in the Office of Student Services in Lyons Hall.

Graduate students, except Law students, may cross-register for one course each semester at Boston University, Brandeis, and Tufts. M.B.A. students are not permitted to cross-register at Brandeis University, and students in the Graduate Finance Program are not allowed to cross-register at any of the universities. Cross-registration materials are available in the Office of Student Services in Lyons Hall.

Law School students may cross-register for classes only at Boston University Law School and only if the course they wish to take at BU will not be offered at Boston College any time during the current academic year. Students wishing to cross-register must see the Director of Academic Services in Stuart House, Room M308, for permission.

The Graduate Consortium in Women’s Studies (<http://mit.edu/gcws/>) is an inter-institutional enterprise established to advance the field of women’s studies and enlarge the scope of graduate education through new models of team teaching and interdisciplinary study. Faculty and students are drawn from six member schools: Boston College, Brandeis, Harvard, Northeastern, MIT, and Tufts. Graduate students enrolled in degree programs at Boston College may, with the permission of their department, apply to participate in this program. Registration forms will be mailed from the Consortium to accepted students.

Graduate School of Social Work

Under a program of cross-registration, juniors and seniors matriculated in the B.S.W. Program at Regis College and Sociology and Psychology majors at Stonehill College may take selected courses in the Graduate School of Social Work. For more information, see the Assistant Dean for Academic and Student Services in the Graduate School of Social Work in McGuinn Hall, Room 134.

Dropping, Adding, or Changing a Major

Students who want to drop, add, or change a Biology, English, Mathematics, or Sociology major or an Environmental Studies minor, must see the department Chairperson. Juniors and seniors who want to declare a Communication major must also see the department Chairperson. For all other majors, go to the major department.

No more than one pass/fail course may be taken in any semester. No student may take more than six pass/fail courses for credit toward a degree.

Any language courses taken before the language proficiency requirement is fulfilled may not be taken on a pass/fail basis. No student may take Carroll School of Management or Woods College of Advancing Studies courses on a pass/fail basis. No Carroll School of Management student may take a College of Arts and Sciences requirement (including Core or Carroll School of Management curriculum requirements) pass/fail.

Pass/Fail Electives—Graduate

Confidentiality of Student Records

Certain personally identifiable information from a student’s education record, designated by Boston College as directory information, may be released without the student’s prior consent. This information includes name; term, home, local, and electronic mail addresses; telephone listing; date and place of birth; photograph; major field of study; enrollment status; grade level; participation in officially recognized activities and sports; weight and height of members of athletic teams; dates of attendance; school/college of enrollment; anticipated date of graduation; degrees and awards received; the most recent previous educational agency or institution attended; and other similar information.

Electronic access to selected directory information is available to both the Boston College community and the general public. A student who so wishes has the right to prevent the release of all directory information including verification of enrollment or to suppress selected directory information. In order to do so, students must enter privacy preferences in Agora, Boston College’s secured intranet environment (<http://agora.bc.edu/>). This must be done by the end of the first week of enrollment. Suppression is available by selecting *U-View* and “Privacy Preferences.” All nondirectory information is considered confidential and will not be released to outside inquiries without the express written consent of the student.

Disclosures to Parents and Students

When a student reaches the age of 18 or attends a postsecondary institution regardless of age, FERPA rights transfer to the student. Guidelines for the disclosure of information to parents are as follows:

- Parents may obtain directory information at the discretion of the institution.
- Parents may obtain nondirectory information (e.g., grades, GPA) at the discretion of the institution and after it is determined that the student is legally dependent on either parent.
- Parents may also obtain nondirectory information if they have a signed consent from the student.

Voter Registration Information

For information about how to register to vote, students can access the “Voter Registration Information” link (<http://www.bc.edu/offices/stserv/voterinfo/>) on the Office of Student Services website.

Students who are not Massachusetts residents should access <http://www.GoVote.org/> for more information about their state’s deadlines and filing procedures. If the state requires that a ballot be notarized, go to the Office of Student Services in Lyons Hall, where notary services are available upon request. For a complete list of notaries public on campus, visit <http://www.bc.edu/offices/hr/resources/campusinfo/notaries.html>.

Notice of Non-Discrimination

Founded by the Society of Jesus in 1863, Boston College is dedicated to intellectual excellence and to its Jesuit, Catholic heritage. Boston College recognizes the essential contribution a diverse community of students, faculty, and staff makes to the advancement of its goals and ideals in an atmosphere of respect for one another and for the University’s mission and heritage. Accordingly, Boston College commits itself to maintaining a welcoming environment for all people and

extends its welcome in particular to those who may be vulnerable to discrimination on the basis of their race, ethnic or national origin, religion, color, age, gender, marital or parental status, veteran status, disabilities, or sexual orientation.

Boston College rejects and condemns all forms of harassment, wrongful discrimination, and disrespect. It has developed procedures to respond to incidents of harassment whatever the basis or circumstance. Moreover it is the policy of Boston College, while reserving its lawful rights where appropriate to take actions designed to promote the Jesuit, Catholic principles that sustain its mission and heritage, to comply with all state and federal laws prohibiting discrimination in employment and in its educational programs on the basis of a person’s race, religion, color, national origin, age, sex, marital or parental status, veteran status, or disability, and to comply with state law prohibiting discrimination on the basis of a person’s sexual orientation.

To this end, Boston College has designated its Executive Director for Institutional Diversity to coordinate its efforts to comply with and carry out its responsibilities to prevent discrimination in accordance with state and federal laws. Any applicant for admission or employment and all students, faculty members, and employees, are welcome to raise any questions regarding this policy with the Office for Institutional Diversity. In addition, any person who believes that an act of unlawful discrimination has occurred at Boston College may raise this issue with the Assistant Secretary for Civil Rights of the United States Department of Education.

Disabilities Services Office

University Courses and Capstones

No student may take more than one Capstone seminar during his/her undergraduate years. Thus, you may not take two Capstone courses in one semester or two different semesters. This is true whether the course is listed under UN numbers or as a course in a specific department. If a second Capstone course appears on your record, it will be removed. This could make you ineligible for graduation.

Register for Courses Using *U-View*

To register for classes on the University’s Information Systems (UIS) run TN3270 from your program menu or desktop.

It has been configured to open automatically to BC’s University Information System (UIS) screen. If a login window does not open up when you start the application, try “Choose Options” from the Setup menu. Type bcvmcms.bc.edu in the Default Host box and click on the OK button. The UIS Login screen will appear. Follow instructions below.

- Enter your username and password.
- To register for courses, type in the number for Administrative Systems. Type in the number for *U-View* Your BC Records. Type in the number 2 for Student Information and then “R” to register.
- Enter the 4-digit index number at the left of the course (ex: 9749) or the 5-digit course code (ex: RL21504). Press enter. If the course is available, you will be given the following options:
 - **Done:** To update your schedule and exit.
 - **Save:** To update your schedule and continue.
 - **Back:** To retrieve your schedule thus far.
- Choose one of these options and type it on the line underneath your last course. If you have not finished registering for courses, be sure to “Save” often, so you do not lose your seat in any of your course selections.
- To log off from the registration screen, type “Done” and then follow the instructions on each subsequent screen. Exit the registration transaction completely and then reenter to ensure that you have registered successfully for all your courses.

Search Features

Use the “Browse Courses” screen to search for all (a) or open (o) sections of a course or to search by course title. From the registration screen, type “?” over the course to find open or all sections of that course or type “?” on a blank line and then the department abbreviation (ex: BI for Biology). Check course status to determine if it is open or restricted.

If you want a particular section, enter the number on the upper left-hand side of the Browse Courses screen and then press enter. Type “R” to return to the registration screen without making a selection.

Problems/Error Messages

A listing of possible error messages is listed below:

- **Corequisite:** You need to add the course’s corequisite to your schedule. The options for the corequisite are listed at the bottom left of the screen. Choose one and then type the index number on the next available line.
- **Course Closed:** There may be no seats left in the course or the department may be holding seats or sections of courses so they are unavailable during certain periods of registration.
- **Department Permission:** Some courses including all graduate courses may be available to undergraduates with department permission only.
- **Duplicate Course:** You may have listed two sections of the same course.
- **Invalid Index:** You have entered an incorrect index number. Search “Browse Courses” online or the printed *Schedule of Courses* for the correct number.
- **Restricted:** Courses may be restricted by school (e.g., For Education Only), by degree (e.g., For Doctoral Students Only), by major (e.g., For Economics Majors Only), or by class year (e.g., For Freshmen Only).
- **Time Conflict:** You have listed two courses that are scheduled at the same time or overlap a period of time.

You will not be able to add a course or save your schedule unless you resolve the problem or remove the course from your schedule.

Register for Courses Using *U-Dial*

- Call the Boston College Voice Response Unit at 617-552-8800. If you are calling outside the 617 area code, be sure to dial 1 + 617 before 552-8800.
- Enter your Eagle Number.
- Enter your 5-digit Personal Identification Number (PIN).
- Once you have accessed the voice response unit, the tape will list the main menu of transactions. (Review the selections below to be sure you understand the differences between transactions.) The system will then request that you choose one of the following transactions:

TO ADD A COURSE: If you wish to add a course, press 1 when prompted to do so. Then follow the instructions at each prompt until the add transaction is completed.

TO DROP A COURSE: If you wish to drop a course, press 2 when prompted to do so. Then follow the instructions at each prompt until the drop transaction is completed.

TO ADD AND DROP A COURSE: If you wish to drop one course and then add one course, press 3 when prompted to do so and follow the instructions at each prompt until the drop/add transaction is completed. This transaction will not complete the drop unless you successfully add one course in its place; therefore, you shouldn’t worry when the drop transaction appears not to have gone through. This transaction should be used if you are changing the corequisite for a course (a lab or a discussion group).

TO CHECK THE STATUS OF A COURSE: If you wish to check quickly to see if a particular course is open, press 4 when prompted to do so. Then follow the instructions to check the status of the course.

TO LIST COURSES: Press 5 to hear the courses you are currently registered for or to confirm your transaction(s).

TO END CALL: Press 9 to disconnect from the Voice Response Unit. Be sure to listen carefully to instructions as you proceed with any transaction. If you make a mistake at any time, press * to start over.

Once you are familiar with the system, you can bypass the recorded message by entering the information requested at the beginning of the prompt.

Problems/Error Messages

You may encounter a problem or receive an error message while using the voice response unit. The most probable messages/problems and solutions are listed as follows.

Problem/Message	Probable Solution
1. Can’t access system	Use a touch-tone phone not a rotary phone, or try from another phone. Your phone may be malfunctioning.
2. System not available	You’re calling outside the hours of 8:00 a.m. to 11:00 p.m. seven days a week. Please call during <i>U-Dial</i> hours. Another possibility is the system is experiencing unscheduled downtime. Please call back in 15 minutes.
3. Busy signal	The system’s incoming telephone lines are all in use. Try again later.
4. System does not answer	The Voice Response Unit is not functioning. Try again later.
5. Wrong ID	Check to make sure that you are inputting your Eagle ID number correctly.
6. Wrong PIN	Check to make sure that you are inputting your PIN correctly.
7. Wrong index numbers	Check to make sure that you are inputting the correct 4-digit index number, not the course number (e.g., 9999 rather than EN999.09). Refer to the <i>Schedule of Courses</i> for index numbers.
8. Time conflict message	Check the <i>Schedule of Courses</i> or the Course Status List available on <i>U-View</i> . If there is still a problem, there may have been a time change. What is on the computer is correct since it is the most up-to-date.
9. The course you want is: <ul style="list-style-type: none">• a sixth course• restricted to a major or school• closed or requires dept. approval	<p>Students in A&S, CSOM, and CSON who maintain a 3.00 GPA, may add a sixth course online (up to 20 credits) during the first week of classes.</p> <p>You must get the appropriate departmental approval to be allowed to override these restrictions.</p> <p>For these restrictions, see the department. If they issue an override, obtain the necessary stamp(s) and/or signature(s) and bring the approved form to Lyons Hall by 4:30 p.m. on January 23, 2008.</p>

If the above does not resolve your problem or if you have a difficult problem, call 617-552-3300, Monday-Friday 9:00 a.m. to 4:45 p.m.

Final Exam Information

All courses have a scheduled exam time determined by the starting time of the course. This listing shows standard class meeting time exam assignments for undergraduate courses. In general, common exams are held at 4:00 p.m. If a course does not fit exactly into a module, it assumes the module corresponding to the closest class meeting time. For example, a class meeting T TH 11 is assigned module 10 (T TH 10:30*). In situations where the non-standard time falls **halfway** between two modules, use the module for the later time. For example, a class meeting M W F 9:30 is assigned module 03 (M W F 10).

All graduate courses meeting **once a week** and undergraduate courses that start at 4:00 p.m. or later and meet **once a week** will have final exams on the first regular class day that occurs during the exam week. All graduate courses meeting **more than once a week** and undergraduate courses that start at 4:00 p.m. or later and meet **more than once a week** will have final exams on the class day that is earliest in the calendar week. For example, the final exam for a T TH 4:00 p.m. class would be held Tuesday at 4:00 p.m. Exams will be held at the usual class meeting time and location unless otherwise posted on the exam schedule.

The meeting place for each exam will be posted in Lyons basement one week prior to the exam period. Exam information is also available on *U-View*.

If there is a storm during the examination period, there is the expectation that exams will be held as scheduled. In the very rare instance that the exam schedule is delayed or postponed due to inclement weather or other emergency situations, the first available of the following days will be used: the Sunday during the exam week, the afternoon of the last exam day, and the day after the last exam day. If rescheduling is necessary, announcements will be made on WBZ, WRKO, and WBMX, and on the Boston College INFO line (617-552-4636). For graduate and professional students, announcements concerning final exams will be made on the same radio stations and on 617-552-INFO. Students are responsible for attending final exams at the scheduled times. In addition, students should consider possible exam rescheduling when making travel plans at the end of the semester.

Students are expected to take no more than two final exams in any one day. If a student has three exams scheduled in one day and one of these is a common exam, it is the responsibility of the instructor holding the common exam to give a make-up exam. If a student has three regularly scheduled exams (this can happen if the student is taking a course that meets at 4:00 p.m. or later), the instructor teaching the course outside of the standard time blocks (8:00 a.m.-3:00 p.m.) should provide a make-up exam. In addition, if a student has a conflict between a common exam and a regularly scheduled late afternoon or evening course exam, the responsibility for a make-up lies with the instructor offering the common exam.

Massachusetts Medical Insurance

In accordance with the Commonwealth of Massachusetts’ law and the policies of Boston College, all students registered in a degree program will be charged directly by Boston College for medical insurance for the upcoming year. Non-degree students who are registered at least 75% of the full-time credit load will also be charged directly by BC.

Students currently enrolled in a health plan that is comparable to the Boston College-sponsored plan may waive coverage as follows:

- If students are over the age of 18, they may access their Agora Services account. Select *U-View* and then “Medical Insurance” option. To provide proof of comparable coverage, they will need to have information about their current health insurance plan readily available.
- If the student is under the age of 18, the parent or guardian must sign and submit a written waiver which can be downloaded at <http://www.bc.edu/offices/stserv/forms/>. Students cannot file an electronic waiver.

International students who are not citizens or permanent residents of the United States will automatically be enrolled in the Boston College plan regardless of their credit hours. International students are not eligible to waive the student insurance plan unless they are enrolled in a plan underwritten by a U.S.-based insurance carrier. They also are no longer eligible to waive their insurance online. They will need to submit a written waiver form.

Waivers must be completed every year. Providing insurance information to other offices on campus (e.g., Athletics or Health Services) does not fulfill the waiver requirement.

If students do not complete a waiver (electronic or paper) prior to the deadline, they will automatically be enrolled in and charged for BC’s Student Injury and Sickness Insurance Plan. The annual cost is \$1,721—\$757 for coverage from August 7, 2007, to January 14, 2008, and \$964 for coverage from January 15, 2008, to August 6, 2008.

Waivers must be completed and submitted by September 14, 2007 for the fall semester and by January 25, 2008, for spring semester. Incomplete waivers will not be processed. No waivers for 2007-08 will be accepted after January 25, 2008.

Withdrawals and Refunds

- Fees are not refundable.
Tuition is cancelled subject to the following conditions:
- Notice of withdrawal must be made in writing to the Dean of the student’s school.
 - The date of receipt of written notice of withdrawal by the Dean’s Office determines the amount of tuition cancelled.

The cancellation schedule as published in the University catalog will apply to students withdrawing voluntarily, as well as to students who are dismissed from the University for academic or disciplinary reasons.
